

## ESG Pro Limited

### Accessibility Statement

#### Introduction

ESG Pro is committed to ensuring that our offices are accessible and inclusive for all individuals, including those with disabilities. We strive to provide an environment that facilitates ease of access, safety, and comfort for employees, visitors, and stakeholders.

#### Office Accessibility

ESG Pro's office premises are designed to accommodate individuals with mobility impairments, ensuring compliance with accessibility standards and best practices. The key accessibility features of our office include:

- **Entrance Accessibility:**
  - The main entrance to our offices is fully wheelchair accessible, with a step-free pathway and automated doors for ease of entry.
- **Internal Accessibility:**
  - The ground floor is fully accessible, featuring wide corridors and doorways to facilitate wheelchair movement.
  - There are no internal steps or obstacles that would hinder movement within the designated accessible areas.
- **Facilities:**
  - **Toilets:** Fully accessible toilet facilities are available on the ground floor, equipped with grab rails, emergency call systems, and sufficient space for manoeuvring.
  - **Kitchen:** The ground floor kitchen is wheelchair accessible, designed with low-height counters and easy-to-reach amenities to ensure convenience.

#### Support and Assistance

ESG Pro is dedicated to providing reasonable accommodations to employees and

visitors who require additional support. Our reception staff are trained to assist individuals with accessibility needs and provide guidance when necessary.

### Feedback and Improvements

We welcome feedback regarding our accessibility features and are committed to making continual improvements to enhance accessibility within our premises.
