Environment

Impact on score

91/100

Environment | Policies

Impact on score

100/100

A policy is a set of objectives that addresses specific sustainability issues. It shows a company's intention to reduce impact, mitigate risk or improve performance.

Strengths

Formal mechanisms to review and amend environmental policy
Exceptional policy on major environmental issues
Quantitative targets set on waste
Environmental policy on energy consumption and GHGs
Environmental policy on waste
Quantitative targets set on energy consumption and GHGs

Environment | Measures

Impact on score

75/100

Measures are your company's actions to support your sustainability policies and commitments.

Strengths

Employee awareness/training program on energy conservation
Measures to reduce paper consumption
Purchase and/or generation of renewable energy
Internal sorting & disposal of waste according to waste streams
Improvement of energy efficiency through technology or equipment upgrades
Recycling of office waste (paper, cardboard, ink cartridges etc.)
Reduction of carbon emissions in transportation

Improvement areas

Low priority

No supporting evidence of training of employees on waste reduction and sorting

Environment | Certifications

Impact on score ●●●○

● ↗ 50/100

Certifications confirm your compliance with international standards (for example, ISO 14001, ISO 45001, ISO 37001, SA8000 or FSC Chain of Custody). They must be issued by an external certification body.

Strengths

Certified B Corporation (B Corp)

Improvement areas

Medium priority

No supporting evidence of ISO 14001/EMAS certification

Environment | Reporting

Impact on score ●●●○

● → 50/100

Reporting is based on quantitative KPIs that measure your implementation of sustainability practices.

Strengths

Environmental reporting on energy consumption & GHGs
Standard reporting on environmental issues
Environmental reporting on waste
Reporting on total energy consumption

Environment | 360° Watch

Impact on score ●●●●

● → 75/100

The 360° Watch Findings indicator is scored based on the data we gather by scanning thousands of sources in the public domain. This allows us to get a broader overview of your company's sustainability management.

Labor & Human Rights | Policies

Impact on score ●●●●

● ↗ 75_{/100}

A policy is a set of objectives that addresses specific sustainability issues. It shows a company’s intention to reduce impact, mitigate risk or improve performance.

Strengths

Formal mechanisms to review and amend labor and human rights policy
Comprehensive policy on a majority of labor or human rights issues
Quantitative targets set on employee health and safety
Labor and human rights policy on career management and training
Labor and human rights policy on employee health and safety
Labor and human rights policy on preventing discrimination and harassment
Labor and human rights policy on working conditions

Improvement areas

Low priority	No supporting evidence of quantitative target set on career management and training
Low priority	No supporting evidence of quantitative target set on preventing discrimination and harassment
Low priority	No supporting evidence of quantitative target set on working conditions

Labor & Human Rights | Measures

Impact on score ●●●●

● → 75_{/100}

Measures are your company’s actions to support your sustainability policies and commitments.

Strengths

Employee health & safety risk assessment
Actions to promote equal opportunities for all in the workplace
Provision of skills development training
Training of employees on health and safety risks and best working practices
Employee health and safety emergency action plan
Compensation for extra or atypical working hours
Regular employee health check-up
Regular assessment of individual performance
Flexible organization of work (eg. remote work, flexi-time)
Awareness training on discrimination and harassment
Health care coverage of employees in place
Family Friendly programs (FFPs) implemented (e.g. parental or care leaves, childcare services or allowances)

Labor & Human Rights | Certifications

Impact on score ●●●○

● ↗ 50/100

Certifications confirm your compliance with international standards (for example, ISO 14001, ISO 45001, ISO 37001, SA8000 or FSC Chain of Custody). They must be issued by an external certification body.

Strengths

Certified B Corporation (B Corp)

Improvement areas

Low priority	Current labor and human rights certification(s) are insufficiently stringent in their requirements. The existing frameworks lack the necessary depth and comprehensive scope to effectively address all material issues within the theme
Low priority	No supporting evidence of ISO 45001 certification

Labor & Human Rights | Reporting

Impact on score ●●●○

● → 50/100

Reporting is based on quantitative KPIs that measure your implementation of sustainability practices.

Strengths

Labor & human rights reporting on working conditions
Labor & human rights reporting on career management & training
Labor & human rights reporting on discrimination and harassment
Labor & human rights reporting on employee health & safety
Standard reporting on labor and human rights issues

Ethics | Policies

Impact on score ●●●●

● → 100/100

A policy is a set of objectives that addresses specific sustainability issues. It shows a company’s intention to reduce impact, mitigate risk or improve performance.

Strengths

Detailed examples available regarding ethics issues

Formal mechanisms to review and amend ethics policy

Policy on information security

Disciplinary sanctions to deal with policy violations

Policies on corruption

Exceptional policy on ethics issues

Improvement areas

Low priority

No supporting evidence of quantitative target set on ethics

Ethics | Measures

Impact on score ●●●●

● → 100/100

Measures are your company’s actions to support your sustainability policies and commitments.

Strengths

Measures to protect third party data from unauthorized access or disclosure
Specific approval procedure for sensitive transactions (e.g. gifts, travel)
Awareness training to prevent information security breaches
Whistleblower procedure for stakeholders to report corruption and bribery
Whistleblower procedure for stakeholders to report information security concerns
Training of employees on corruption and bribery prevention

The below disclaimers apply to you if you have no contractual relationship with EcoVadis:

1. This Scorecard has a validity of twelve (12) months from the issue date. The rating and this Scorecard have been prepared based on information provided by the rated company and in accordance with best industry practices and EcoVadis methodology, which may differ from those used by other companies conducting similar assessments. EcoVadis disclaims any liability for any actions and/or decisions taken by a third party, including any investment decision, based on the ratings and/or this Scorecard.
2. This Scorecard is based on the disclosed information and news resources available to EcoVadis at the time of assessment. Should any information or circumstances change materially during the period of the Scorecard validity, EcoVadis reserves the right to place the Scorecard on hold and, if considered appropriate, to re-assess and possibly issue a revised Scorecard.
3. This Scorecard is the intellectual property of EcoVadis and must not be: (i) copied, modified, translated, published, reproduced and/or (ii) used as part of or in connection with any other CSR/ESG assessment, unless agreed otherwise in a written agreement signed with EcoVadis.
4. This Scorecard is the confidential information of EcoVadis. Unless agreed otherwise in a written agreement signed with EcoVadis, this Scorecard and the rating must not be used by a third party as part of or in connection with any activity related to revenue generation and shared any further; it may be used only for a third party's internal purposes.
5. Only a Scorecard of a rated company having a Select subscription can be used for the purpose of ESG – linked loans and similar products offered by any financial institution outside of the EcoVadis solution.
6. The rating and this Scorecard have been prepared based on information provided by the rated company and in accordance with best industry practices and EcoVadis methodology, which may differ from those used by other companies conducting similar assessments. EcoVadis disclaims any liability for any actions and/or decisions taken by a third party, including any investment decision, based on the ratings and/or this Scorecard.
